

Kha-noon Decor No. 2

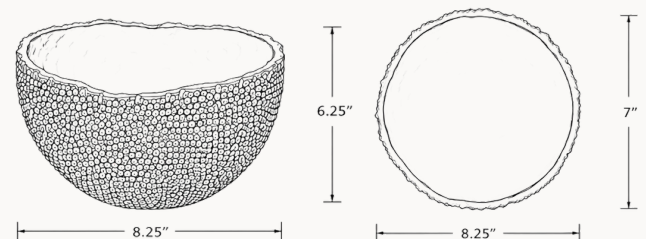

The Kha-noon Decor Collection takes its form from the jackfruit, a fruit whose spiked, textured skin has long marked it as a symbol of abundance, prosperity, and good fortune across Southeast Asia. That same texture shapes each piece: solid brass frames, hand-cast and hand-polished to a gentle inner glow, paired with green-hued accents that mirror the fruit's rough exterior. Each centerpiece holds a light of its own, a quiet reminder of abundance in any space it enters.
