

Relic High Chair

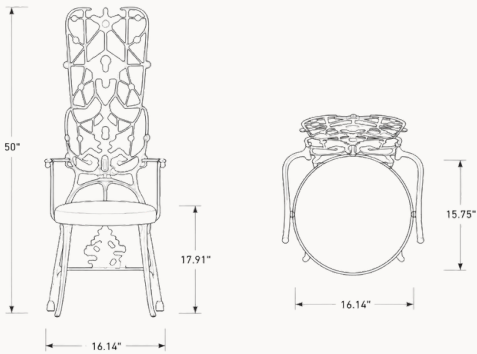

The Relic High Chair brings presence to any space with its tall, sculpted backrest and regal silhouette. Inspired by the intricate forms of vintage keys and 18th-century throne chairs, the design captures refined details, craftsmanship, and grandeur of an era defined by artistry and ornamentation. Its solid brass frame is hand-cast and hand-polished to a gentle shine, then paired with premium upholstery for a balance of structure and comfort. With the presence of an empress’s throne, the Relic High Chair transforms a functional piece into a sculptural expression of artistry, craftsmanship, and distinction.
