Sumi Lounge Chair

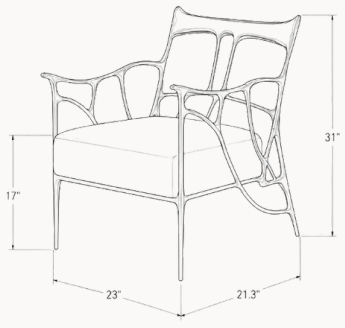

Inspired by the graceful movement of ink calligraphy, the Sumi Lounge Chair was designed in-house by award-winning designer Apiwat Chitapanya, recipient of the Designer of the Year Award in Furniture Design. The Lounge Chair traces a single continuous line. Its sculptural frame hand-cast in solid brass, meticulously polished and finished by hand, then complemented by luxurious bouclé upholstery. Together, these materials create a chair that feels substantial yet inviting, where sculptural expression and everyday comfort exist in equal measure. Includes a matching accent pillow for added comfort.
