

Sumi Two Tiered Console Table

The Sumi Collection takes inspiration from the fluid movements of ink calligraphy. It's smooth frame moves like a single stroke, unbroken from top to base. Designed by our award-winning artist, Apiwat Chitapanya, the Sumi Console's smooth frame is hand-cast in solid brass and finished to a matte black patina with hints of natural brass sheen. Paired with marble, this two-tiered console is a combination of art and function.
